

ICAR – Krishi Vigyan Kendra
Gandhigram Rural Institute – Deemed to be University

S.No	Name of the KVK	Title	Date	Target Clientele
July 2023				
1	Dindigul	Soil health management	2nd week of July 2023	Farmers
2	Dindigul	Plant protection measures in Natural farming systems	2nd week of July 2023	Farmers and Farm women
3	Dindigul	Fruit cultivation techniques	3 rd week of July 2023	Farmer & Farm women
4	Dindigul	Balanced fertilizer application	3 rd week of July 2023	Farmer & Farm women
5	Dindigul	Rooftop vegetable cultivation techniques	4 th week of July 2023	Farm women
6	Dindigul	IPDM in Vegetable crops	4 th week of July 2023	Farmers and Farm women
August 2023				
7	Dindigul	ICM in Paddy	1 st week of August 2023	Farmer & Farm women
8	Dindigul	Pruning techniques on Mango	1 st week of August 2023	Farmer & Rural youth
9	Dindigul	Organic pest management	1 st week of August 2023	Rural youth
10	Dindigul	High Yielding varieties of tree species	1 st week of August 2023	Farmer & Farm women
11	Dindigul	Nutrient management in Paddy	2 nd week of August 2023	Farmer & Farm women
12	Dindigul	Proper methods of Cooking without loss of nutrients	2 nd week of August 2023	Farm Women
13	Dindigul	ICM in Maize/Sorghum	3 rd week of August 2023	Farmer & Farm women
14	Dindigul	Pruning techniques on Jasmine	3 rd week of August 2023	Farmer & Farm women

15	Dindigul	Value addition of Moringa	3 rd week of August 2023	Rural Youth
16	Dindigul	Minor millet Food contest	3 rd week of August 2023	Farm Women
17	Dindigul	Agroforestry systems for Garden lands	3 rd week of August 2023	Farmer & Farm women
18	Dindigul	Integrated nutrient management practices in Grapes	4 nd week of August 2023	Farmer & Farm women
19	Dindigul	Management of major sucking pests in Cotton	4 nd week of August 2023	Farmers and Farm women
September 2023				
20	Dindigul	ICM on Tomato	1 st week of September 2023	Farmer & Farm women
21	Dindigul	Integrated nutrient management practices in Small Onion	1 st week of September 2023	Farmer & Farm women
22	Dindigul	Variety Popularizations & ICM in Millets	2 nd week of September 2023	Farmer & Farm women
23	Dindigul	Integrated Pest and Disease Management (IPDM) in Tomato	2 nd week of September 2023	Farmers and Farm women
24	Dindigul	Red sanders cultivation techniques	2 nd week of September 2023	Farmer & Farm women
25	Dindigul	Variety popularization in Oilseeds	3 rd week of Sep 2023	Farmer & Farm women
26	Dindigul	ICM on Moringa	3 rd week of Sep 2023	Farmer & Farm women
27	Dindigul	Soil fertility management practices in Cotton	3 rd week of September 2023	Farmer & Farm women
28	Dindigul	Demonstration on value addition of Milk	3 rd week of Sep 2023	Rural Youth
29	Dindigul	Khaya cultivation techniques	3 rd week of Sep 2023	Farmer & Farm women
30	Dindigul	Nematode management technologies in Vegetables	4 th week of Sep 2023	Farmers and Farm

				women
31	Dindigul	Demonstration on Arks high Humidity box	4 th week of Sep 2023	Farm Women
October 2023				
32	Dindigul	ICM on Coconut	2 nd week of Oct 2023	Farmer & Farm women
33	Dindigul	Biofertilizers and green manures	2 nd week of Oct 2023	Farmer & Farm women
34	Dindigul	Demonstration on Nutri Garden	2 nd week of Oct 2023	Farm Women
35	Dindigul	Mushroom and spawn production technologies for oyster and milky mushroom	2 nd week of Oct 2023	Rural youth
36	Dindigul	Variety Popularizations, Drought mangement and ICM	3 rd week of Oct 2023	Farmer & Farm women
37	Dindigul	ICM on Guava	3 rd week of Oct 2023	Farmer & Farm women
38	Dindigul	Demonstration on COPRA Guard	3 rd week of Oct 2023	FPO
39	Dindigul	Use of biofertilisers in tree seedling establishment	3 rd week of Oct 2023	Farmer & Farm women
40	Dindigul	Vermicompost technology	4 th week of Oct	Farmer & Farm women
41	Dindigul	Nutrient management in jasmine	4 th week of Oct 2023	Farmer & Farm women
42	Dindigul	Pest management in fruit crops	4 th week of Oct 2023	Farmers and Farm women
43	Dindigul	Introduction of drudgery reduction implements for Women	4 th week of Oct 2023	Farm Women
44	Dindigul	Cultivation of casuarina hybrids	4 th week of Oct	Farmer & Farm women
November 2023				
45	Dindigul	Recent trends on Jasmine cultivation	1 st week of Nov 2023	Farmer & Farm women
46	Dindigul	Soil health management in Paddy	1 st week of Nov 2023	Farmer

47	Dindigul	Hi-tech cultivation techniques on vegetable crops	2 nd week of Nov 2023	Extension officials
48	Dindigul	Recent technologies in pest management	2 nd week of Nov 2023	Extension functionaries
49	Dindigul	Value addition of vegetables	2 nd week of Nov 2023	Farm Women
50	Dindigul	Seed and seed treatment methods	3 rd week of Nov 2023	Farmer & Farm women
51	Dindigul	ICM in Blackgram	3 rd week of Nov 2023	Farmer & Farm women
52	Dindigul	ICM on Lab lab	3 rd week of Nov 2023	Farmer & Farm women
53	Dindigul	Value addition of fruits	3 rd week of Nov 2023	Farm Women
54	Dindigul	Cultivation of silk cotton	3 rd week of Nov 2023	Farmer & Farm women
55	Dindigul	High Yielding varieties of pulp wood tree species	3 rd week of Nov 2023	Farmer & Farm women
56	Dindigul	Importance of foliar nutrition in vegetables	4 th week of Nov 2023	Extension officials
57	Dindigul	Pest management in flower crops	4 th week of Nov 2023	Farmers and Farm women
58	Dindigul	Value addition of spices and Condiments	4 th week of Nov 2023	Rural Youth
December 2023				
59	Dindigul	Protray nursery techniques on vegetable crops	1 st week of Dec 2023	Rural youth
60	Dindigul	Importance of soil testing and fertilizer recommendation	1 st week of Dec 2023	Farmer & Farm women
61	Dindigul	Value addition of minor millets	1 st week of Dec 2023	Farm Women
62	Dindigul	ICM in Minor millets	2 nd week of Dec 2023	Farmer & Farm women
63	Dindigul	ICM on Ribbed gourd	2 nd week of Dec 2023	Farmer & Farm women
64	Dindigul	Disease management in coconut	2 nd week of Dec 2023	Farmers and Farm

				women
65	Dindigul	Marketing strategies for SHG products	2 nd week of Dec 2023	Farm Women
66	Dindigul	Agroforestry systems for rainfed lands	2 nd week of Dec 2023	Farmer & Farm women
67	Dindigul	Weed management for field crops	3 rd week of Dec 2023	Farmer & Farm women
68	Dindigul	Vermicompost production technology	3 rd week of Dec 2023	Rural youth
69	Dindigul	Importance of Pulses in daily diet	3 rd week of Dec 2023	Farm Women
70	Dindigul	Cultivation of teak	3 rd week of Dec 2023	Farmer & Farm women
71	Dindigul	PP measures in Panthal vegetables	4 th week of Dec 2023	Farmers and Farm women
January 2024				
72	Dindigul	Irrigation methods and management	1 st week of Jan 2024	Farmer & Farm women
73	Dindigul	ICM on Bhendi	1 st week of Jan 2024	Farmer & Farm women
74	Dindigul	Integrated nutrient management practices in vegetables	1 st week of Jan 2024	Farmer & Farm women
75	Dindigul	Integrated nutrient management practices in Flowers	1 st week of Jan 2024	Farmer & Farm women
76	Dindigul	Biointensive pest management in vegetable crops	1 st week of Jan 2024	Farmers and Farm women
77	Dindigul	Nutrient management for women	1 st week of Jan 2024	Farm Women
78	Dindigul	After care of planted seedlings	1 st week of Jan 2024	Farmer & Farm women
79	Dindigul	Nutrition for Adolescent girls	2 nd week of Jan 2024	Rural Youth
80	Dindigul	Organic Input Preparation	3 rd week of Jan 2024	Farmer & Farm women

81	Dindigul	Nursery production techniques on horticultural crops	3 rd week of Jan 2024	Rural youth
82	Dindigul	Novel plant protection techniques in field crops	3 rd week of Jan 2024	Extension functionaries
83	Dindigul	Nutrient deficiency diseases and its preventive measures	3 rd week of Jan 2024	Farm Women
84	Dindigul	Agroforestry systems with flower crops	3 rd week of Jan 2024	Farmer & Farm women
February 2024				
85	Dindigul	Drought mitigating techniques in Field crops	1 st week of Feb 2024	Farmer & Farm women
86	Dindigul	Advanced cultivation techniques on Marigold	1 st week of Feb 2024	Farmer & Farm women
87	Dindigul	Value addition of Pulses	1 st week of Feb 2024	Farm Women
88	Dindigul	Agroforestry systems with Vegetable crops	1 st week of Feb 2024	Farmer & Farm women
89	Dindigul	Bio compost production technology	2 nd week of Feb 2024	Farmer & Farm women
90	Dindigul	Honey bee rearing	2 nd week of Feb 2024	Rural youth
91	Dindigul	Value addition of Amla	2 nd week of Feb 2024	Rural Youth
92	Dindigul	Micro irrigation techniques	3 rd week of Feb 2024	Farmer & Farm women
93	Dindigul	Nutrition for Infants	3 rd week of Feb 2024	Farm Women
94	Dindigul	After care of planted seedlings	3 rd week of Feb 2024	Farmer & Farm women
95	Dindigul	Nematode management in fruit crops	4 th week of Feb 2024	Farmers and Farm women
March 2024				
96	Dindigul	Recent trends on cultivation techniques on Medicinal crops	1 st week of March 2024	Farmer & Farm women
97	Dindigul	Latest nutrient management technologies in agriculture & Horticulture	1 st week of March 2024	Farmer & Farm women

98	Dindigul	Storage structure for Pulses	1 st week of March 2024	Farm Women
99	Dindigul	Importance of Summer ploughing	2 nd week of Mar 2024	Farmer & Farm women
100	Dindigul	IPDM in chilli crop	2 nd week of Mar 2024	Farmers and Farm women
101	Dindigul	Demonstration on Solar Drier	2 nd week of Mar 2024	Farm Women
102	Dindigul	After care of planted seedlings	2 nd week of Mar 2024	Farmer & Farm women
103	Dindigul	Soil and water conservation techniques	3 rd week of March 2024	Farmer & Farm women
104	Dindigul	Value addition of Avocado	3 rd week of March 2024	Farm Women
105	Dindigul	After care of planted seedlings	3 rd week of March 2024	Farmer & Farm women
106	Dindigul	Pest and disease management in coconut	4 th week of March 2024	Farmers and Farm women
